PROPERTY DESCRIPTION

Soak in the magnificent views to the Caribbean Sea from this impressive new enclave: The South Sound Collection. The South Sound Collection is for the discerning few that are accustomed to a certain level of exclusivity and decadence, set amongst an eye-line of luxury condo developments and beachfront homes along the South Sound. This intimate collection of 4 luxurious residences offers refined island living with over 6700 SF of living space across three levels. Each home is carefully designed with a stunning aesthetic in mind, featuring contemporary architecture and interior design. Exquisite Bilottakitchens, four spacious bedrooms, five Armani bathrooms and exemplary design are the hallmark of this elegant retreat where the ocean and nature beckon from every window. The lavish roof terrace offers a private pool, outdoor kitchen, lounge and dining for the perfect blend of privacy and outdoor space to delight the senses and recharge mind, body and spirit in the heart of Grand Cayman. State-of-the-art technology, ICF construction and hurricane-impact rated windows and doors will maintain your legacy for years to come. Each home also features a double car garage and additional secure parking. Your dream home is now a reality at The South Sound Collection! Call or email us for the full detailed information package. Stamp duty is paid by the developer as well. Artists conception renderings for illustration purposes only. E.O.E accepted
