PROPERTY DESCRIPTION

Introducing Long Pointe View Villas, as historically named by the North Side residents. Touting 300' of ocean frontage, Long Pointe Villas consists of only 6 residences and is located on the spectacular coastline in the heart of Northside. Enjoy wonderful views from the point which is perfectly located to catch both sunrises and incredible Cayman sunsets. Warming Caribbean breezes and a relaxed atmosphere for your private getaway, perfect Airbnb rental or your own home away from the busier areas of town yet only 40 minutes away from George Town and the airport. A more rural, relaxed, and remote area of Grand Cayman, North Side is away from the hustle and bustle of the city and is home to a handful of oceanfront resorts, unique dining experiences including Over the Edge just down the road, and world-class diving. Long Pointe View Villas will feature an oceanfront pool and lots of parking. Don't forget your fins and mask so you can step right outside your home to experience some of the island's best snorkeling.
