PROPERTY DESCRIPTION

Moon Shadow is located on the North eastern side of Grand Cayman, approximately a 50-minute drive from Owen Roberts International Airport. This beautiful, single-story home with open floor plan and vaulted ceilings in both the great room and dining room offers comfort for the entire family. With 5100 square feet, this house boasts 3 bedrooms in the main residence plus office/den and spacious efficiency apartment over the 2-car finished garage. Moon Shadow sits on 1.5 acres with 330 ft of beach frontage offering panoramic views of the Caribbean Sea combined with lush landscape, flora and fauna for added privacy. Moon Shadow embodies both fun and relaxation with a covered porch from one end of the house to the other to sit and read a good book, or the outdoor kitchen for the cooking enthusiast while dining under the thatch covered dining area for pool side alfresco dining and after dinner drinks on the beach around the fire pit. The studio apartment above the garage serves as an additional space for house guests looking for a bit more privacy or the ever-appreciated staff. Moon Shadow is the ideal retreat for those who enjoy snorkeling or diving at one of Caymans most well know dive sites, Babylon Reef.
