PROPERTY DESCRIPTION

With only a limited number of two-storey townhomes left, Residence 203 sits within the first block estimated to be completed September 2022. The townhome features an open floor plan, double carport and private garden. All bedrooms have an ensuite bathroom and the master boasts a spacious walk-in closet. Residents enjoy central amenities including beautifully landscaped common areas, a lazy river flowing into a resort-style pool and a fully-equipped gym. OLEA is a waterfront community located to the south of Camana Bays Town Centre. Adjacent to Cayman International School, it offers easy connectivity to the Town Centre and Seven Mile Beach. All residences have solar panels and are cooled with the latest geothermal systems. Interiors integrate elements such as LED lighting, energy-efficient appliances and water-conserving plumbing fixtures. Don't miss out on living in one of Grand Cayman's most desirable neighbourhoods. Spanning 685 acres from Seven Mile Beach and the Caribbean Sea to the North Sound, Camana Bay is the island's premier destination for global business and Caribbean community as well an epicentre of fashion, food, entertainment, culture and fun
