PROPERTY DESCRIPTION

Aptly named, Seaforever due to the absolutely incredible views along the whole Seven Mile Beach coastline and Caribbean Sea. These stunning views are common throughout the residence from the terraces off the bedrooms, on the patio, and from the pool deck area. The Grand Salon is magnificent with two storey high ceilings and glass windows across the beachfront affording an abundance of natural light and views of the beach and Sea. A double staircase elegantly takes you from the main floor to the second level. All rooms are oversized incorporating a great deal of space for furnishings and moving around. This home has everything you would need, whether you reside here permanently or use it for regular visits, featuring a gourmet kitchen, den/office, gym, additional laundry, storage areas, maids quarters, double garage, and so much more. Furnished to the highest standards and ready for a new owner to move in. On the beachside, the patio has both covered and open areas and the pool deck has a beachfront pool and jacuzzi. Private homes on Seven Mile Beach are extremely rare and this one is particularly special with its abundant size and dramatic views that go forever!
