PROPERTY DESCRIPTION

A spacious, well-maintained townhome in a centrally located but quiet George Town community. Hope Springs 30 offers three bedrooms, three renovated bathrooms, a separate laundry room and a screened-in patio overlooking a garden with mature trees. Upon entry, you will notice the pristine open-plan kitchen and large dining and living area. This bright open space leads directly out to the homes private back patio. The first floor also boasts a laundry room and a large bedroom with a fully renovated bathroom. The perfect guest room, home office, or kids play area. While upstairs features two additional ample-sized bedrooms also with renovated en-suite bathrooms. Family and pet-friendly, Hope Springs is conveniently situated in George Town but tucked away from the hustle and bustle in a charming residential area. In addition to lush, well-maintained gardens and ample parking, residents enjoy access to the shared pool area. An end unit with plenty of space for the whole family, including furry ones, while being perfectly placed for commuting to school and work, reach out today to view Hope Springs 30.
