PROPERTY DESCRIPTION

Presenting 193 Windswept Drive One of most beautiful canal front homes in Patricks Island. This Stunning Executive 4 Bed | 4 Bath Home is nestled in the heart of the prestigious Patricks Island Community (soon to be gated). Brilliantly designed by John Doak with a superb open floor plan, including indoor outdoor style living which shows off the exquisite design and finishes throughout. Privately positioned on a corner lot, incredible canal views with 230 ft of water frontage, offering stunning water views from almost every room in the house not to mention the natural light bouncing off of the walls in each and every room. After recent extensive upgrades the home feels nearly new. At 4200 sq ft of living space, including the stunning master suite that spills out onto the indoor patio and overlooks the salt water pool and manicured garden with cabana, which leads out to the 65ft boat dock (power & water included), a full irrigation system, double car garage, separate home movie room, full security system and the wonderful outdoor kitchen which is makes outdoor living an entertainers dream in this perfect home! Patricks Island really is a wonderful community to raise your family or to just enjoy the peace & quiet away from the hustle & bustle of other districts although just a short 15-minute commute to George Town center and two minutes Grand Harbour, shops & restaurants. Easy access to eastern districts, Savannah Countryside shopping center, boating with quick and easy access out onto the North Sound to Rum Point & Kaibo. This house really is a boaters dream and the perfect family home. How do you want to live your life?
