PROPERTY DESCRIPTION

Absolutely incredible landscaping with mature Royal Palms to lead you down the driveway where the caretakers cottage and shed are located. Land is 13 ft above sea level and would be a beautiful home site along with working farm. A lot of money was put into the land alone leveling it and then bringing in tons of soil. 2 working wells on the property and small cottage consists of one bedroom, one bathroom and a kitchen. Small screened in patio at entrance. Lots of mature fruit trees including mangoes, tomatoes, star fruit, papaya, breadfruit, avocado, banana, sour sop, green onions and more. Farmland is going fast in this area so schedule your appointment today before this little gem is sold! *Map image taken from Cayman Lands and Survey
