PROPERTY DESCRIPTION

Lovely and quite spacious 2-bedroom home in Cayman Brac's Parrot Estates community. Built in 2013, this great property boasts numerous amenities that are sure to delight any prospective home buyer. Very nicely designed and built, this home pleases the eye both inside and out. Sturdy masonry construction with durable standing seam sheet metal roof. Situated high and dry on an ample lot of over 16,300 sq. ft. lot on the Brac's famous Bluff. This is a nature-lover's paradise property! Just steps from the National Trust Parrot Preserve park, the scenic nature boardwalk, and the Bight Road North Hiking Trail.
