PROPERTY DESCRIPTION

Very unique, wide residence with the living room and dining room directly on the Seafront, as well as the master bedroom. Truly incredible views from these rooms of the Caribbean Sea, sunsets, and cruise ships off in the distance. The gorgeous, oversized Seafront patio is another perfect spot to enjoy the scenic panorama right in front of you. As to the interior, floor to ceiling windows, high ceilings, and spacious rooms allow an abundance of natural light to penetrate into the residence, creating a feeling of comfort and warmth. The stunning white kitchen has a sophisticated design and incorporates quality branded appliances of Sub Zero and Wolf. No question, a great deal of thought has gone into the strategy for the layout of this residence, with even the guest bedrooms having private patios. FIN has a presence and prestige that sets it apart from all of the others, from its Art Deco design to its tremendous array of 5 Star facilities and amenities beach area with salt water lagoon, secured foyer, private elevator access, personal car services, private chefs, baby sitting, 24 hour concierge and security, maid service and laundry, and under building parking for 2 cars. It will be very difficult to find a better place to call home!
