PROPERTY DESCRIPTION

Spacious, private, and perfect in every way, this is 127 Southward Drive. A magnificent 3 Bed + Den 2,780sq ft home, astride 0.2902 Acres of canal front land is the epitome of a forever home. Highlighted by high ceilings throughout, this open floor plan provides more than enough room for family and friends. In the heart of the home, you will find a comfortable living room, kitchen, formal dining area, and breakfast nook, creating intelligent separation between 2 of 3 bedrooms to the west, and master bedroom, and Den to the east. Master Bedroom features his and hers closets, and a massive walk in shower fit with his and hers shower heads. Behind the home sits a jungle-like back garden, hosting an abundance of fruit trees, exotic plants, and stone edged pool. Beyond the garden, is 95 feet of canal frontage protected by a solid concrete sea wall.
