PROPERTY DESCRIPTION

Rare opportunity for a beautiful property located behind the gates of Vista Del Mar in a private secluded community. This 5,500sqft home looks over the Bird Island Sanctuary which is a protected nature reserve and lends itself to privacy. From the gazebo you overlook the lovely waterway with a 50 dock that allows for a yacht to be moored just steps away. The grounds are stunning and offer mature landscaped trees, and a very lush environment, with beautifully manicured lawns throughout the property. The home is spacious with 5 bedrooms and 4.5 bathrooms in total, and has all the modern amenities, with electric screened patio and terraces off the master and the guest bedrooms. Separate guest house sits over the 3-car garage with a covered walkway to the main house. This home is very well priced and will make a wonderful home to build memories with your family!!
