PROPERTY DESCRIPTION

Mic Kai Mouse and Cutie Kai Homes are two distinctive homes, very well located at the beginning of the exclusive Finger Cay peninsula with wide open views across the North Sound and pristine Caribbean Sea. Enjoy views of the Seven Mile Beach skyline off in a distance and gorgeous sunsets. Walk along the perfectly sandy beach for miles, all the way around the shoreline of Cayman Kai. This small estate features two meticulously maintained residences that span across a combination of two lots with over .75 of an acre. There is a private area with a spacious pool and ample deck area between the two homes, making this sanctuary a perfect place for relaxing, entertaining, or just gazing out to the calm, clear water. The two homes have hurricane shutters, generator, garage and a storage room with A/C, so perfect to store dive gear, water toys, and anything else. Truly a very unique offering of two residences with many possibilities for a family's personal use and enjoyment, as well as rental income. Very quiet and private
