PROPERTY DESCRIPTION

This Ocean Front home is sitting on a double lot with 200 ft approximately of water frontage with an amazing view of the blue Caribbean Ocean and great location on the south side west, close to everything including, shops, restaurants, bank, airport, etc. This home has been completed redone in 2009 including the roof, kitchen, flooring and much more however, it needs some tlc. The house is all concrete through out, has 3 bedroom 3 baths and one extra bedroom in the garage. Spacious kitchen, dining area, spacious living room and more. Cayman Brac is one of the sister islands of Grand Cayman well known for the most beautiful scuba diving sites as The wreck which is the only Russian warship that divers can explore in the Western hemisphere and many other interesting dive sites all well covered in beautiful corals and with a wide diversity of marine life, also, is well know for the many caves all around the island and the multiple spots for rock climbing, Cayman Brac sure has much to offer and this house could be perfect for Airbnb or just a vacation home or move in and live on the ocean.
