Some places make you slow down the moment you arrive, and East End is one of them. This 0.55 acre parcel gives you about 93 feet of ocean frontage and a 260 foot depth. It’s a blank canvas for the Caribbean home you’ve been imagining, or a cluster of beach cottages, subject to planning approval. Fall asleep to the sound of the waves, and wake to sea breezes and ocean as far as you can see.
