Introducing the iconic Kempa Kai Beachfront Estate, a rare opportunity to own one of Grand Cayman's most celebrated luxury retreats. Spanning 8,512 square feet with 7 bedrooms and 6.5 bathrooms, this Bali-inspired estate sits on over half an acre of prime beachfront in prestigious Cayman Kai. Built in 2019 and masterfully designed by award-winning architect John Doak, Kempa Kai blends Indonesian elegance with Caribbean soul, creating a residence unlike anything else on the island. Favored by celebrities and discerning quests, this estate defines barefoot luxury. The main villa includes five king suites with spa-style baths, a gueen bedroom, and a custom bunk room—all appointed with exotic woods, curated artwork, and calming natural textures. A separate bungalow offers two additional suites with outdoor showers, private entrances, and Zen gardens, perfect for hosting in total privacy. Outdoor living reaches new heights with an oceanfront infinity pool, rooftop spa, koi ponds, tropical gardens, thatch-roofed cabana, and hammocks swaying just steps from the sand. Entertain with ease in a gourmet kitchen plus full butler's kitchen, or unwind in the media room and Havanainspired cocktail bar—all enhanced by smart-home tech operated by the touch of an iPad. Ideally situated between Starfish Point and Kaibo, Kempa Kai is both a private sanctuary and a premier investment, with the option to continue its success in the Kempa Collection rental portfolio. This is your moment to own an iconic Cayman destination.
