This 3 bed/3.5 condo is located at the tip of Rum Point and is top floor beach front with open views of North Sound and ocean. This unit is overly spacious at 2882 sq ft and comes with two master suits. The unit has both a large screened lanai off the main living area as well as a super large open air penthouse patio area. The Retreat amenities include a custom swimming pool, deck area, workout gym and has the only tennis court on the whole north half of the island. The complex lies between the Rum Point Beach Bar/ Restaurant with Dive Shop and the recently build Rum Point Club. Both of these properties welcome guests as well to enjoy their amenities. To top it off, some of the best island snorkeling is steps away right out front of the Retreat. Skip the hassle of the 7mile corridor and put your feet up on the quiet side of the island.
