South Sound is where its at! Close to everything - George Town, Grand Harbour, the ocean, sports fun, schools, restaurants - great family location and an easy location without major traffic hassles. Vienna Circle is a beautiful neighborhood; safe and private, off the main South Sound Road and just across the street from a designated beach access spot! Its rare to find homesites in South Sound, especially one at nearly half an acre (currently only 2 are listed for sale!). Contact us and lets talk about making this land yours!
