Triumph Village was thoughtfully designed to maximize living space. The kitchen is tailored for home cooks, featuring ample storage and counter space, along with solid wood custom cabinetry and granite countertops. The dining room is strategically positioned to provide a clear view of both the kitchen and the living room, offering a bright perspective of the outdoor patio and garden. This well-maintained home spans two levels. The main living area and guest bath are located on the ground floor. A real wood staircase leads to the second level, where you'll find two bedrooms, each with its own ensuite. Additionally, the second-floor landing includes a washer and dryer, as well as hallway storage. Triumph Village is situated behind The Academy Sports Club and Triple C School in South Sound.
