A rare opportunity to purchase a standalone, two-storey commercial building in the heart of George Town. Offering 2,615 square feet of internal space on a 0.25-acre parcel with 75 feet of road frontage, this property benefits from exceptional visibility along Shedden Road, one of Cayman's busiest commercial corridors. Built in 1996 and maintained to a high standard, the building is ideally suited for professional offices, retail, or service-based businesses seeking a central and accessible location. With freehold title, commercial zoning, and a position just minutes from government offices, banks, and retail hubs, this property represents a practical and valuable opportunity to secure a strong George Town presence.
