Rare opportunity to acquire a 0.1121-acre parcel zoned low-density residential. This lot presents an excellent option for building a single-family home, subject to planning approval, or holding as a land bank investment for future development. Located in a quiet residential setting, the property offers flexibility for end-users and investors alike. Its size and zoning make it ideal for a private residence while benefiting from potential long-term appreciation. Image provided by www.caymanlandinfo.ky
