The well-proportioned interior offers a comfortable open-plan living and dining area, a fully equipped kitchen with granite countertops, wood cabinetry and stainless steel appliances, and a generously sized bedroom with plenty of room for a home office or additional furnishings. Large windows bring natural light into the home, while the neutral finishes throughout make this an easy property to personalize or enjoy as it is. One of the distinctive features of North Side Condos is its low-density setting. The complex sits on approximately 2.346 acres, providing generous open green space around the existing residential buildings and creating a peaceful, uncrowded atmosphere. The size of the property may also offer interesting possibilities for future enhancement of the common areas, should the owners collectively choose to explore them and subject to all necessary Strata, planning and other applicable approvals.
